With the participation of **Peter Knapp** (Swiss Photographer, Graphic Designer, Painter and Video Maker, whose art direction in fashion magazines and film via the 60's cult TV show *Dim Dam Dom* has influenced generations), **Leyla Sassi** (Owner of *Tender Night*, Film Production Company specializing in the Fashion & Luxury industry), **Leonardo Girombelli** (Branding & Communication Manager, thecorner.com), **Diane Pernet** (Founder of ASVOFF)

*Topic: Fashion film, the artist's, producer's and broadcaster's visions*

With the contribution of Ina

#### 16:30 - 18:30 CARTE BLANCHE TO INA:

##### THE DIM, DAM, DOMYEARS (1965 - 70)

Hosted by **Elisabeth Quin** (TV & radio Journalist, Critic & Writer) with the participations of **Peter Knapp** (film director of dozens of *Dim, Dam, Dom* TV shows), **Manette Bertin** (*Dim, Dam, Dom* TV producer in the 60's), **Sylvie Richard** (Head of the Department of Culture & Education at Ina)

*The TV magazine Dim, Dam, Dom debriefed about fashion and mode in all areas, an unusual patchwork putting together filmmaking techniques and styles, black and colours, frivolousness and seriousness. The young french director showed their ability, like Just Jeackin, Jacques Rozier... The young performer girls later became TV presenters or models like Mireille Darc, Françoise Hardy... With insolence, humour, a touch of craziness and the means at hand, a tone was found, a beat was given. The TV «low calories» was born.*
